CABLE STRIPPER

KEY FEATURES

- For round and flat cable
- Strips computer cable, power and speaker cable, bell wire
- twisted pair data/telecom wire
- Multi-function
- Features adjustable capacity and spring-assisted opening
- Adjustable stripping blade for different insulation thickness
- Easy to adjust with thumb screw and cable cutter

This stripper is easy and safe to use, punch down wires on modular connectors. Strip twisted-pair UTP/STP data cables and wires and terminates wires into 110 blocks. It's great for CAT-5e, and CAT-6 data cables. This wire stripper is small and exquisite, which is very convenient and practical. It cuts cables with different thickness and cuts very clean and takes only few seconds small and simple tool for cable or wire stripping.
